<b>SR. #</b>	<b>Tender Reference Number</b>	<b>PROJECT DESCRIPTION</b>	<b>QTY</b>	<b>Earnest Money</b>
1	KE/PID/04/2020	<p>Survey, Design, Engineering Manufacture, Supply, Construction, installation, Testing, Commissioning, Energization and handing over of 220 kV double circuit and 132kV double circuit transmission lines with following scope:</p> <ul style="list-style-type: none"> <li>•220kV KKI-Baldia Mauripur Transmission line: Loop in / loop out of existing KE 220kV Double Circuit 220kV Baldia-Mauripur Transmission line at New 500kV KKI Grid station.</li> <li>•132kV KKI-Hub Chowki Transmission line: 132kV new double circuit Transmission line from New 500kV KKI Grid station to 132kV Hub Chowki Grid station.</li> </ul>	1 Job	2%

### **Pre-Qualification Criteria for Non-Pre Qualified Vendor**

Following to be provided as support documents;

1. Engineering and Design capabilities relevant to the aforesaid mentioned Project scope.
2. Company's Financial Information (in case of consortium, financial Information of each consortium member and the division of responsibilities between the consortium members needs to be shared).
3. Previous experience of successfully handling a project of such magnitude in emerging markets like Pakistan.
4. Ability for support services after completion of project (Warranties/Guarantees).
5. Ability to timely mitigate risk(s) caused by extraordinary geo-political & financial disturbance.
6. Ability to demonstrate notable Safety Records, Organization Strength, Relevant Onshore / Offshore Experience and Local / International Repute.

In addition to above, below criteria must also be met;

1. The vendor must have at least ten years current experience in EHV Transmission Lines up to 220kV and above as EPC Contractor for the relevant works as mentioned in the scope of work in Pakistan or elsewhere in South Asia including at least one similar project outside the home country with scope more than the scope of work included in this project and in operation for the last Five (05) year. In support of specific experience, the contractor shall furnish the list of projects of similar scope, completion period and terms and conditions carried out in the recent past to ascertain the contractor's performance and capability to accomplish the jobs contained in this contract.
2. Vendor/Manufacturer has the financial, technical and production capability necessary to perform the Contract; and must demonstrate availability of funds to meet the cash flow requirements of US Dollar and the overall cash flow requirement for this contract and the bidder's other concurrent commitments
3. In case of a vendor not doing business within Pakistan the vendor is or will be (if successful) represented by an agent in Pakistan equipped and able to carry out the supplier's maintenance, repair and spare parts stocking obligations prescribed by the Conditions of Contract and/or Technical Provisions.
4. Vendor must have at least Ten (10) year experience in their respective fields prior to Tender Date in the Design, Manufacture, Supply, Installation, Testing & Commissioning of all the major equipment comprising the following, where applicable according to scope of this project:
  - a. Power Cables, Cable Joints, DTS, Terminations and Termination Accessories with adequate supplies and satisfactory operation over the years.
  - b. Overhead Transmission Lines Poles, Towers, Insulators and related Hardware to be supplied by the Tenderers/Contractors should also conform to the international standards/requirements and must have record of satisfactory service of operation for at least seven years.
5. The vendor himself should have completed / commissioned at least two (2) projects of similar type and scope as required in this tender within last ten (10) years including at least one similar project outside the home country with scope more than the scope of work included in this project and in operation for the last Five (05) year
6. In the event the vendor is not the manufacturer himself, then the manufacturer(s) of the Plant offered by the vendor must meet the experience criteria, including seven (7) consecutive years satisfactory operation of the equipment.

**BIDS WILL NOT BE ACCEPTED AFTER THE GIVEN DEAD LINE DATE**

Tender document containing detailed scope of work, terms and conditions may be obtained on payment of tender fee (non-refundable) from the undersigned during working hours by submitting an application and by mentioning the tender reference number on application along with tender fees of PKR 25,000/- (non refundable) (Tender fee in cash to be submitted in cash section Treasury department and original receipt to be submitted in Procurement department)

KE reserves the right to reject any or all the bids and to annul the bidding process at any time without thereby incurring any liability to the affected bidder(s) or any obligation to inform the affected bidder(s).
