

K-Electric

## TENDER NOTICE

K-Electric, Pakistan's only vertically-integrated power utility that manages all three key stages – generation, transmission and distribution – of producing and delivering energy to its consumers, invites tenders for Procurement/supply/service/job as per details given below:-

| PROCUREMENT OF 16 CHANNEL DVR FOR CCTV |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |     |      |
